Dear King Members, Friends, and Family:

Thank you for entrusting the Veterans Home at King to provide support to your family member during these unprecedented times. Please be assured our commitment to the health and well-being of our members always remains our top priority.

Since we last updated you, we have had 2 employees test positive for COVID-19. Currently we have 6 total cases of COVID-19 on campus (0 members, 6 employees). We have had 2 staff recover as well.

With a recent reported spike in cases statewide this week, please do your part to help stem the spread of COVID-19 by practicing safe distancing, getting vaccinated, washing hands and wearing a mask in public settings. Working together, we can stop the spread of COVID-19.

Thank you for your support and understanding that we are all in this together.

Sincerely,

A handwritten signature in black ink that reads 'T. Servatius'.
